Regarding Information Technology Services (ITS) Sole Source Certification Number 4400 for State-to-State (S2S) Verification Service Enhancements for the Mississippi Department of Public Safety (DPS), please be advised that no objections were received and pending successful contract negotiations, the award will be made to American Association of Motor Vehicle Administrators (AAMVA) through June 30, 2024, in an amount not-to-exceed \$110,000.00.

Please be advised that ITS will determine if additional enhancements, upgrades, or support are within scope during the certification period and may increase the spending authority accordingly. Should American Association of Motor Vehicle Administrators (AAMVA) change its name during the certification period, then ITS will determine if a recertification is necessary.
